

HOTEL & LODGE RATES

TIMELESS AFRICA
— SAFARIS —

Per person in 2025

Your room in a safari lodge should be compared to a luxurious hotel suite in size. Staying at a safari lodge is a fully inclusive experience, depending on the specific lodge your stay may include 3 gourmet meals per day, local beverages (alcoholic & non-alcoholic), laundry and daily safari activities such as game drives and game walks with expert guides and rangers. Hotels include breakfast. *Some lodges might also include road transfers from the nearest airstrip and guest conservation levy.*

Below are approximate mid-season rates. Average excludes peak seasons and there are different seasons which means rates will vary, the below is based on mid-season. All rates are in USD and based on the exchange rate of the day 28 March 2025.
